

LMP-600

Replacement lamp for projector models VPL-S600E/X600E/S900E/SC50/XC50/SC60, 120 Watt UHP

The LMP-600 is a 120 Watt UHP (Ultra High Performance) lamp for the projector models VPL-S600E/X600E/S900E/SC50/XC50/SC60.

During its entire lifetime you can rely on a constant

light output generated by this lamp.

When making important presentations, it is better to ensure you always have a projector lamp in spare, especially towards the end of the lamp's lifetime.
